

Industry Speaks.....

Mr. Rakesh Sahwney, President, SMTA

I am really pleased to learn about the 3rd consecutive Exhibition MEDIFEST the showcase for the display of Medical & Surgical products. I hope that this Exhibition will not only serve the purpose of the trade and exhibitors but will also be a source of information to the buying agencies like Hospitals, Govt. Departments and other prospective indenterers. I wish a great success to the show.

Mr. R.V. Narang, Editor-in-Chief, Proven Trade Contacts

We, at Proven Trade Contacts congratulate the young & energetic team of Vantage Trade Fairs (P) Limited for organizing the 3rd edition of Medifest- really a noble job for the entire mankind. We wish them every success in their mission and also appeal to whole medical fraternity to extend their support for the next edition.

Mr. Ramesh Bhasin, Chairman Exhibitions, SMTA

Medifest is emerging as one of the biggest & best ever buyer-seller meet. It enables its' participants to explore the market opportunities and have a thorough knowledge of the same. Medifest not only help them to promote their products & services, but also assist to establish new business contacts for enhancing their trade.

Mr. Ashwani Goel, President, ASIMA

On behalf of ASIMA, I extend my heartily greetings to Vantage Trade Fairs (P) Limited for Medifest. Medifest is a show that shaped the world's No. 1 Medical Trade Fair and adapted to the needs of the Healthcare System. I congratulate the organizers for bringing various stakeholders of the healthcare industry on a common platform and wish the All the Best!

Mr. Amarjit Singh, President, Chandigarh Chemists' Association

Medifest, emerging as one of the biggest medical & Pharma events in India, will enable the participants and advertisers to establish themselves and to reach the farthest corners of the world. With healthcare sector growing at a frenetic speed, Medifest is destined to touch the newer heights this year.

Mr. Bal Kishan Thakur, General Secretary, SAMA

Medifest provides a perfect opportunity to meet the entire healthcare community and professionals under one roof. It has proved to be an ideal update t the medical fraternity by showcasing the latest technology, materials and equipments from around the world.

I wish success to organizers, participants and visitors of Medifest.

Mr. Sarvjeet Rai, Director, Mediscope

I extend my warm wishes and felicitations to the organizer and the participants of Medifest, premier medical & healthcare trade event. Medifest is an ideal platform for whole medical forum to showcase the technological advances in the industry, which I am sure, would give a boost to our healthcare industry.
