

# Health product using a negative ion and ultraviolet rays.

## Massage Chair

A brand-new product invented in 2007, with US FDA approval and CE marking. It massages the lower part of body, tightens the heap and pelvis, and cures spin-related diseases for the upper body.

## Sauna

### 1) Negative potential mat

No harmful electro magnetic pulses are generated. The FDA approved mat instead produces large quantity of infrared rays and negative ions

### 2) Portable Sauna

Sugi and cyress wood are used for their well-known quality in producing an antibiotic matter of phytoncide, a lab-proven cosmetic and healing effect for atopy.

### 3) Full-sized Sauna:

Dies Feminfarot-Massagegerät mittels Hightech-Sunpapers und hochreiner Biokeramik ist geeignet zur Hautpflege oder v.a. zur Reduzierung der Muskelermüdung.

## Healthy Underwear

With modern fashion and ergonomic design, it emits anion and infrared rays, helps keep body shape and stimulates blood circulation.

## Water Purification System

Using natural mineral materials and magnetic, not in the way of electrolysis, it keeps water PH at 7.4, makes hexagonal water through magnetism, and removes active oxygen with its rich hydrogen ions.

## Atopy-free Products

### 1) Washing ball

Soak laundry in water with the washing ball for 1-2 hours without putting any detergent, before operating the washing machine.

### 2) Vitamin shower

The bioball and vitamin attached to the shower removes the chlorine remaining in tap water.

### 3) Bedding

Containing medical substances and nano ceramic, to control dust mite, this bedding is proper for atopy patients.
