Looking for distributors

www.mastercare.se

**Manufacturer of urine analyzer and reagent strips is
looking for distributor in India!**

Our company is one of the biggest manufacturers of urine analyzers and urine reagent strips. We always uphold "Most Advanced Technology, Top Quality and Cost effective Price". The 13 parameters reagent strip is our latest product which is hot sale in the world.

It can test the following items:

- | | | |
|-----------------|----------------------|----------------|
| - Micro Albumin | - Creatinine | - Calcium |
| - Leukocytes | - Glucose | - Billirubin |
| - PH | - Specific - Gravity | - Ketone |
| - Protein | - Nitrite | - Urobilinogen |
| - Occult Blood | | |

Since 2004 we export our analyzers and reagent strips to the USA, European ,South East Asia and Middle East with large quantity. Indian distributors are welcome to visit our booth No. E4 at Medifest 2008.
