**Company Profile :** CoreSys is a fast growing software development company, Our commitment to best in class quality processes and systems has been rewarded with an ISO 9001:2000 certification by TÜV South Asia Private Limited, in March 2007. We started our product development many years back in 2000 and launched first edition of Clinical Decision Support Software (CDSS) eClinician (was branded Clinician) in October 2006. We took user feedbacks and concerns while developing the new eClinician. This superior product can be used by all doctors and the key task is to reach all of them.

**Product Category :** CDSS, HIMS, EMR, etc.
